

Click for Suffolk Holidays

With more Brits opting to stay in the UK this year, it's refreshing to find a company who's investing to give holiday makers the holiday they want at the click of a mouse. Suffolk Cottage Holidays Ltd, despite the current economic situation, have just completed a major investment in their holiday search facilities. The new search engine on their site allows the visitor to East Anglia to find exactly the property they require right down to a downstairs bedroom and bathroom for an elderly relative, or a child-friendly garden. You can even request sea views, as many of the properties are to be found along the breathtakingly beautiful Heritage Coastline, famed for its huge skies, and you can see how far it is to walk to the local for a pint of Adnams, or why not request a wood burner too for a cosy night in? How many times have you booked a cottage over the phone or the internet and it's been smaller, nowhere near the local amenities or disappointingly different from what you expected? Those who've already booked using the new suffolkcottageholidays.com website have been able to match their holiday requirements precisely.

Lizzie Hammond, Director for Suffolk Cottage Holidays Ltd, explained the need to expand the search facilities for visitors: 'When booking a holiday for your family and friends, you don't want to leave anything to chance. We look after over 120 properties in Suffolk and Norfolk and over the years have really listened to what guests have requested. By offering such a bespoke holiday booking service, which is easy to use and offers luxurious holiday accommodation with a very reasonable price tag, we find our guests return year after year.' The website www.suffolkcottageholidays.com is owned by Suffolk Cottage Holidays incorporating Big House Holidays, an independently owned holiday lettings company with a thorough knowledge of the holiday homes market for the East Anglian region. Their major investment in this new search engine is testament to the confidence they have as an independent holiday operator in the future British tourism market for the South East of England.

Suffolkcottageholidays.com also has a useful click through to a site full of useful up to date information for East Anglia, visit-suffolkcoast.co.uk. There's a list of events on during the summer, places to eat, theatre shows, concerts and art galleries worth a look plus some picturesque walking routes already mapped out for you and walked personally by the team at suffolkcottageholidays.com. If you prefer to chat to the team to enquire about properties of all sizes in East Anglia, call them at their offices at Alderton Hall, Suffolk on 01394 412304 or log onto suffolkcottageholidays.com.
